## PRODUCT REVIEWS

### PEPTIDE POWER

Celazome offers the N(45) system—a two-piece collection to transform skin with a 45% concentration of peptides and other bioactive ingredients. The A.M. complex provides instant tightening, while the P.M. complex helps to dramatically lift up face and neck tissue. Both products contain Lyphazome, all natural, patented nanotechnology that improves skin hydration. The company guarantees firmer and brighter skin in just 14 days. ### SAFETY FIRST

Alert your laser staff to potential hazards by installing attention-grabbing signs. LASERVISION USA offers Lit Laser Safety Signs in four standard prints—Danger Class 3R, Danger Class 3B, Danger Class 4 and Notice. The lightweight signs come with a 20,000-hour bulb life. The company can also make custom Lit Laser Safety Signs in two to five business days. Contact: 800.393.5565, [www.lasersafety.com](http://www.lasersafety.com)

### GENTLE CLEANSER

Medicalia Medi Soothe Gentle Cleanser contains natural emulsified oils and an anti-irritant to soothe dry, sensitive skin with microcirculation problems such as rosacea and skin compromised by medical cosmetic procedures. The blend of sodium lauroyl oat, green tea, chamomile, allantoin and French rose in a water soluble cream leaves no filmy residue and is suitable for all skin types.
